

Job Description: Physician Assistant or Nurse Practitioner

Compensation: To be determined based on qualifications

Position FTE: 1.0 (Full-time)

Reports to: Medical Director

Location: Missoula, Montana

BLUE MOUNTAIN CLINIC OVERVIEW:

Blue Mountain Clinic (BMC), a 501(c)3 non-profit, has been providing comprehensive healthcare services to patients from Missoula and the surrounding region for over 47 years. Our services include integrated family medicine, sexual and reproductive healthcare, mental health counseling, and gender affirming care. With a multi-disciplinary team of over 20 dedicated staff members, we prioritize individualized, evidence-based healthcare that respects personal connections.

JOB SUMMARY:

Blue Mountain Clinic seeks to hire a Physician Assistant (PA), or Nurse Practitioner (NP) specializing in Family Medicine to join our team. We seek someone who is creative, energetic, willing to learn new skills, and committed to our mission and vision. This position requires a good sense of humor, and an ability to adapt to an ever-evolving medical and political landscape.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Clinical

Provide patient-centered, evidence-based, and high-quality primary health care services for patients of all ages and backgrounds, including but not limited to:

- Preventive/Wellness care, routine check-ups
- Management of acute and chronic medical conditions
- Provide full-scope Family Medicine for newborns, children, adolescents, and adults
- Order and review diagnostic testing and imaging and make appropriate referrals
- Monitor health status, adjust treatment plans as necessary, and provide support to promote positive outcomes
- Document accurately and concisely in the patient's medical record
- Gynecology: pelvic exams, pap smears, menstrual health, pelvic pain, sexual function, PCO, menopause, endometriosis
- No pre-natal services
- Medication abortion including ultrasound
- Contraception: (same day appts); IUD and Nexplanon, insert and removal
- STI testing, treatment, prevention
- Trans medicine and gender affirming care, including hormone treatment and care coordination
- Educate and counsel on various health-related topics, empowering patients to make informed decisions about their healthcare

Supervisory and Leadership

- Assist in the growth, education and enhancement of clinical support staff including nurses, medical assistants, and others
- Review and analyze clinical activities and data to improve operational and service delivery
- Engage in quality management, including areas of improvement and optimization
- Attend monthly clinician/provider meetings, monthly all-staff meetings, and mandatory trainings
- Share in on-call schedule

EDUCATION AND QUALIFICATIONS:

- Degree from an accredited medical school
- Current board certification in Family Medicine or relevant field
- Active, non-probationary, unrestricted Montana State license and DEA license
- Eligible to obtain and maintain credentials as a Medicaid and Medicare provider

EXPERIENCE:

- A minimum of 3 years of progressive experience as a healthcare provider.
- Strong familiarity with EMR systems and the ability to manage electronic patient records efficiently
- Experience providing health care services to diverse populations, including lower income and marginalized communities as well as Medicare and Medicaid patients

VALUES, ATTITUDES, AND BEHAVIORS:

- Shares values of compassion, bodily autonomy, and equity
- Committed to Blue Mountain Clinic's mission, ensuring access to essential healthcare, including abortion and gender-affirming care
- Enjoys organizing and optimizing processes for greater efficiency and effectiveness
- Experienced problem-solver with an orientation toward outcomes and continuous improvement and learning
- Treats colleagues, patients, partners, and community members with dignity and respect, resolves conflicts promptly, and demonstrates flexibility and adaptability

WORKING CONDITIONS AND REQUIREMENTS:

Location: Blue Mountain Clinic in Missoula, Montana

Schedule: This is a full-time, salaried/exempt position with full-time defined as 36 hours per week.

Working conditions: Normal office and clinic environment. Exposure to contagious diseases and other patient-related conditions

Physical requirements: Ability to operate technology, lift supplies, and communicate clearly

COMPENSATION:

Salary range: DOE. Benefits include health insurance, dental, vision, retirement, paid time off, and holiday pay

TO APPLY:

Please provide a cover letter, resume or CV, and three references to hire@bluemountainclinic.org

Subject line: "Physician Assistant" or "Nurse Practitioner" Applications will be accepted until the position is filled
